

2018 LPGA USGA Girls Golf at Las Vegas Golf Club

The LPGA Girls Golf Program of Las Vegas is ten weeks long and will begin in March and run until May 23rd. The girls meet one day a week on Monday, Tuesday from 5:30 – 7:00 PM or Wednesday from 4:30 – 6:00 pm (when the Wednesday girls go on the course, the time will be 5:30 – 7:00 pm). Check out my website www.jenniferlpga.com for more information. We will work on all aspects of the game of golf and will take the girls out on the course four times. This is absolutely the best Girls Golf Program in Nevada.

Sarah McGuire, an eleven-year LPGA tour professional will once again be joining us. The girls love Sarah and she and I will team together to give the girls quality instruction. I also have some outstanding volunteers that help out. They are well trained and are supervised by me.

I am pleased to announce there will be no cost for the national enrollment with the LPGA Foundation, which will include a welcome kit and an LPGA USGA Girls Golf hat. I also will be ordering Girls Golf Shirts for all the girls.

Enrollments begin the first week of January. First email me at jenniferlpga@yahoo.com or call me at 702-815-5637. Let me know which day of the week you would like for your daughter or granddaughter to be in the program. You can then go online to <http://www.girlsgolf.org/site-directory> and select LPGA USGA of Las Vegas and sign up for the National Registration. As of last year, there are now three LPGA USGA Girls Golf Programs in the Las Vegas area. Make sure you select the correct site with my name. Feel free to explore the other two sites. The cost will be 100 dollars per girl or 90 dollars for each sister. This can be paid to me after I receive the national registration and any time before the first day of the program.

Monday, Tuesday 5:30 – 7:00 PM or Wednesday 4:30 – 6:00 PM
